

CONNECT WITH CONFIDENCE

WITH ACCESS LANGUAGE SOLUTIONS

WHAT ARE MY SOLUTIONS?

Feel secure communicating with:

- On-site Interpreting
- Phone or Video Interpreting
- Document Translation

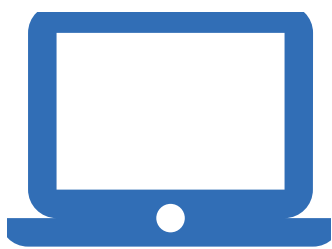

ON-SITE INTERPRETING

Feel secure with interpreters who are:

- Medically trained
- HIPAA compliant
- Tested in English and target language(s)
- Available to interpret in more than 15 languages
- Available days, evenings, and weekends

PHONE/VIDEO INTERPRETING

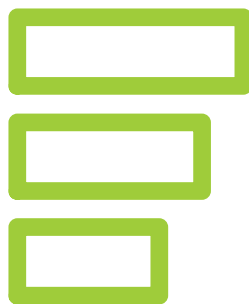

Be confident to always have an interpreter.

- More than 300 languages available by phone
- More than 38 languages available via video
- No appointment or special equipment needed
- Low per minute rates
- Special rates available for nonprofits
- Interpreters available 24/7

DOCUMENT TRANSLATION

Communicate your essential information well.

- Translators are locally and nationally sourced
- A multi-step process exists to translate, proof-read, and edit documents

WHY CREATE MORE SOLUTIONS?

Due to a trained/certified interpreter and translator infrastructure that does not meet the local need, we all need to think out of the box to create affordable and flexible language access plans to be prepared for the unexpected.

WHY STRENGTHEN SOLUTIONS HERE?

- 1 in 5 Fayette County residents is an immigrant
- In 2019, more than 100 spoken/sign languages have been identified in the Lexington area and served with innovative linguistic services.
